Autism Discrimination And The Law

The Civil Rights Act of 1964 was the first major development in anti-discrimination law in the US, though prior civil rights legislation (such as the Civil Rights Act of 1957) addressed some forms of discrimination, the Civil Rights Act of 1964 was much broader, providing protections for race, colour,

Anti-discrimination law - Wikipedia

Discrimination on the basis of religion alone is not unlawful under federal anti-discrimination law. However in some cases people have been found to be covered by the term 'ethnic origin' in the Racial Discrimination Act, and discrimination on this basis is against the law. In addition, the Commission may investigate complaints of religious ...
