The substantial being Being and the substance theorists. The deficit of such a bridge was first encountered in history by the Pre-Socratic philosophers during the process of evolving a classification of all beings (noun). Aristotle, who wrote after the Pre-Socratics, applies the term category (perhaps not originally) to ten highest-level classes. They comprise one category of substance ...

That's why every human being matters, and every human being matters equally. Why abortion is unjust. The argument for the pro-life view, then, may be summarized like this: The unborn is a human being. All human beings have human rights, which include the right not to be intentionally killed. Therefore, the unborn human being has human rights.

Draw your sweet, gentle animal with a pencil on the folded paper, being careful where the folds are: you want to make sure the mouth looks good closed, but that it also will look terrifyingly fierce when you open up the paper. With each being, I had to play around with the drawings a few times to get a good balance.

The question of the meaning of Being is concerned with what it is that makes beings intelligible as beings, and whatever that factor (Being) is, it is seemingly not itself simply another being among beings. Unfortunately the capitalization of 'Being' also has the disadvantage of suggesting that Being is, as Sheehan (2001) puts it, an ...

human (adj.) mid-15c., humain, humaigne, "human," from Old French humain, umain (adj.) "of or belonging to man" (12c.), from Latin humanus "of man, human," also "humane, philanthropic, kind, gentle, polite; learned, refined, civilized." This is in part from PIE *(dh)ghomon-, literally "earthling, earthly being," as opposed to the gods (from root *dhghem-"earth"), but there is no settled ...
