Since it's a search engine, browsing for books is almost impossible. The closest thing you can do is use the Authors dropdown in the navigation bar to browse by authors—and even then, you'll have to get used to the terrible user interface of the site overall.

Birthing Within Extra Ordinary Childbirth

Religiosity and health are inter-related especially within the African context where illnesses have been linked to spiritual effects many years ago [] Witchcraft is associated with illness within the African context including issues of childbirth [2, 3].Also, pregnancy and childbirth are associated with religious and traditional beliefs and practices in many countries [4-6].

Religious beliefs and practices in pregnancy and labour ...

Pregnancy, also known as gestation, is the time during which one or more offspring develops inside a woman. A multiple pregnancy involves more than one offspring, such as with twins. Pregnancy usually occurs by sexual intercourse, but can also occur through assisted reproductive technology procedures. A pregnancy may end in a live birth, a spontaneous miscarriage, an induced abortion, or a ...

Pregnancy - Wikipedia

The mother prepared for birth by removing her clothing and loosening her hair. In a wealthy household she may have retreated to a specially constructed birthing hut; this was a privilege available to few. The mother squatted on birthing bricks for the delivery, and a midwife used a sharp obsidian or flint knife to cut the umbilical cord.
