Free-Ebooks.net is a platform for independent authors who want to avoid the traditional publishing route. You won't find Dickens and Wilde in its archives; instead, there's a huge array of new fiction, non-fiction, and even audiobooks at your fingertips, in every genre you could wish for. There are many similar sites around, but Free-Ebooks.net is our favorite, with new books added every day.

Defining Music Therapy 3rd Edition

Music therapy, an allied health profession, "is the clinical and evidence-based use of music interventions to accomplish individualized goals within a therapeutic relationship by a credentialed professional who has completed an approved music therapy program.". Music therapy is a broad field. Music therapists use music-based experiences to address client needs in one or more domains of human ...

Music therapy - Wikipedia

Background We aimed to determine and compare the effects of music therapy and music medicine on depression, and explore the potential factors associated with the effect. Methods PubMed (MEDLINE), Ovid-Embase, the Cochrane Central Register of Controlled Trials, EMBASE, Web of Science, and Clinical Evidence were searched to identify studies evaluating the effectiveness of music-based ...

Effects of music therapy on depression: A meta-analysis of ...

Psychologists have long debated how to best conceptualize and measure intelligence (Sternberg, 2003). These questions include how many types of intelligence there are, the role of nature versus nurture in intelligence, how intelligence is represented in the brain, and the meaning of group differences in intelligence.

Music theory is the study of the practices and possibilities of music. The Oxford Companion to Music describes three interrelated uses of the term "music theory". The first is the "rudiments", that are needed to understand music notation (key signatures, time signatures, and rhythmic notation); the second is learning scholars' views on music from antiquity to the present; the third a sub-topic ...

In this generation-defining self-help guide, a superstar blogger cuts through the crap to show us how to stop trying to be "positive" all the time so that we can truly become better, happier people. For decades, we've been told that positive thinking is the key to a happy, rich life. "F**k positivity," Mark Manson says.
