Yea it does sound pretty uppity. But I'm think that it means "I'm sure I'm charmed to meet you" haha and then that would translate to: I'm sure I'm meeting a good person. That doesn't make too much sense to us nowadays, way back when it was a sort of compliment. Almost like you've heard good things about them and all that jazz.

It's no secret I'm a fan of Jenny B. Jones' books, and her latest doesn't disappoint. I'm So Sure is filled with her trademark wit, along with a good dose of intrigue. I became completely absorbed in Bella's problems (which seem to stack up exponentially by the minute) and her group of friends, along with her blended family and of course her romantic foil, Luke Sullivan.

Miss Miller: Charmed, I'm sure. Maybe "I'm sure" was, in fact, once a formal and elegant phrasing. That would explain why it was considered humorous when a gum-snapping dame like Gert Mills used it in an attempt to appear more sophisticated. So we have characters saying "Charmed, I'm sure" when they are anything but charmed.
