Marcel Duchamp (1887-1968) is considered the most influential artist of the modern era. In 2004, a group of British art professionals declared Fountain—the infamous white porcelain urinal that Duchamp signed with a pseudonym and placed on public display in an art exhibition in New York in 1917—to be the single “most influential modern art work of all time.”

### **Marcel Duchamp - Monoskop**

Marcel Duchamp (1887-1968) Before Marcel Duchamp, a work of art was an artefact, a physical object. After Duchamp it was an idea, a concept. Duchamp did to art what Einstein did to physics and Darwin to religion: each destroyed the foundations of a subject – although they did so in very different ways.

### **Marcel Duchamp - dadart.com**

Since 1914 Marcel Duchamp has been called all these. No artist of the 20th century has aroused more passion and controversy, nor exerted a greater influence on art, whose very nature Duchamp challenged and redefined as concept rather than product by questioning its traditionally privileged optical nature.

The unearthing of a single personal letter in the early 1980s was powerful enough to destabilise one of the foundations of Western conceptual art history, reminding us again of the power of printed media to subvert or revise established canons.. The letter was written in 1917 by art hero Marcel Duchamp to his sister Suzanne, effectively telling her that he was not the author of the most ...
