What Is a Photo Series? A photography series is a collection of images that are linked and showcased together. A series of photos will often have the same theme and have a conceptual bond or are shot at the same location. Photo series are often edited with the same method and in the same style focusing on coherence.

In 2017 having C4K/30 10bit 4:2:2 and UHD/60 8bit 4:2:0 with IBIS, no record limit and fully articulating screen was great and fairly unique. Since then though you have a lot of cameras that do 4K/60 and even some 4K/120, including in 10bit 4:2:2 and generally with less crop factor and the tax that caused the 30 minute record limit is gone.
