Peter Deadman - Home | Facebook

The book is essentially a description of each and every one of the 360 or so primary acupuncture points of Traditional Chinese Medicine. There is a good bit of material about methodology of point selection, but the real gem of this book is the intelligent and thorough descriptions of the points, their properties, and how to locate and needle them.

Amazon.com: Customer reviews: A Manual of Acupuncture

ATTACK OF THE KILLER MOXA. Oh and here's another short video with a less than serious discussion of moxibustion. For non-acupuncturists watching this, please note that DU-1 is an acupuncture point located in a fairly intimate place, and moxibustion refers to the placing of small cones of shredded moxa herb on an acupuncture point, lighting it, allowing to burn and removing it when it gets ...
