...

PEUGEOT Motorcycles' compact commuter, the Kisbee 50, has been upgraded for 2020, with the addition of electronic fuel injection bringing more power. Other changes include a new range of colours for the 50cc scooter.

New Kisbee 50 Peugeot scooter arrives in Australia

Just when we thought new 2-stroke engine development was dead and buried, Peugeot Motorcycles release a brand new Euro 4 compliant injected 2-stroke 50. That's right petrol addicts, a new 2-stroke. The new Peugeot engine will be available across the 50cc Peugeot scooter range in Europe from this month but UK buyers will only be able to get it in the sporty Speedfight.

This paper introduces and discusses the latest application of a low-cost high-frequency injection system (Pulse Count Injection [1, 2]) to both the fuel flow and lubrication oil flow of a 2-stroke scooter; allowing both fluids to be individually mapped and optimised for the complete engine operating range. This in turn enables the 2-stroke engine to pass the latest Euro III test whilst ...
