Ordered this receiver to use with my Samsung smart TV, Receiver sounds good and my TV and receiver communicate with each other through the HDMI ARC cable. Only issue is that each time my system is used the TV turns on and the receiver turns on but the receiver goes to the wrong input settings (I get video but no sound).

a) On the mobile device, run Screen Mirroring. The mobile device searches for available devices to connect to. b) In the search result list, select the TV. The TV displays a pop-up at the top of the screen. c) In the pop-up, select Allow to connect the mobile device. All previously allowed mobile devices will automatically connect without needing approval.
