Seeing Voices: A Journey into the World of the Deaf by ...

Imaginative and insightful, Seeing Voices by Oliver Sacks offers a way into a world that is, for many people, alien and unfamiliar – for to be profoundly deaf is not just to live in a world of silence, but also to live in a world where the visual is paramount. In this remarkable book, Sacks explores the consequences of this, including the different ways in which the deaf and the hearing impaired learn to categorize their respective worlds – and how they convey and communicate those ...
