The Securitate (pronounced [sekuri'tate], Romanian for Security) was the popular term for the Departamentul Securității Statului (Department of State Security), the secret police agency of the Socialist Republic of Romania. Previously, before the communist regime, Romanian secret police was called Siguranța Statului. It was founded on 30 August

The panopticon is a type of institutional building and a system of control designed by the English philosopher and social theorist Jeremy Bentham in the 18th century. The concept of the design is to allow all prisoners of an institution to be observed by a single security guard, without the inmates being able to
