The words and imagery of this song represent the life, work, and death of Vincent Van Gogh. The opening line, "Starry, starry night," refers to A Starry Night, one of the Dutch impressionist's most famous paintings. The lyrics, "Paint your palette blue and gray" reflect the prominent colors of the painting, and are probably a reference to Vincent's habit of sucking on or biting his ...

The Mona Lisa was originally this type of portrait, but over time its meaning has shifted and it has become an icon of the Renaissance—perhaps the most recognized painting in the world. The Mona Lisa is a likely a portrait of the wife of a Florentine merchant. For some reason however, the portrait was never delivered to its patron, and Leonardo kept it with him when he went to work for ...
